Give your AED program every chance for success.

These quality accessories are available for your ReviveR™ AED Program.

**ReviveR™ Prep & Response Kit:**
Containing first aid items that might be needed in a cardiac response situation, our Prep & Response Kit attaches easily to the ReviveR™ AED by a Velcro® strap.

Contains:
- Absorbent Towel
- Disposable Razor
- Antiseptic Wipe
- Protective Gloves
- CPR Mouth Barrier
- Medical Scissors

**ReviveR™ Grab-N-Run AED & Oxygen Bag:**
This convenient kit allows you to easily transport the following items:
- ReviveR AED
- Forty-minute Oxygen Tank
- First Responder Supplies
- First Responder Blanket

#02181 (trauma fill only*)
#02180 (empty)
*does not include AED/Oxygen

**ReviveR™ AED Soft Carrying Case:**
The ReviveR™ AED fits easily into this protective carrying case, with room to spare for accessories and our Prep & Response Kit.

#1470120

**ReviveR™ Alarm Wall Cabinet:**
Keep emergency response equipment in a visible, secure location. This sturdy, metal cabinet houses the ReviveR™ AED and an oxygen tank. Battery-operated alarm sounds when cabinet door is opened.

#01513

**AED Wall-Mount Bracket:**
Helps keep your AED close at hand. The handle of the ReviveR™ AED rests on this simple, easy-to-install wall bracket.

#15202

**Grab-N-Run Oxygen Unit:**
Forty-minute capacity oxygen tank with soft case and carrying strap.

Note: Also available by lease.

**On-Site Signage and Communications**
Inform people in your facility about the availability of AEDs and where to find them. Choose from our collection of directional signage and employee communications, including:

- **24” x 36” Poster:** We’ve Put the Power In Place. Tells employees, visitors, and customers that AEDs are now available on-site. Includes a stick-on pamphlet holder.

- **Pamphlet:** Communicate important AED program information. Provides space for names and phone numbers of AED-trained personnel.

**Flat Sign:**
Mounts flat on wall.

**V-Sign:**
Protrudes from wall at an angle easily visible from multiple vantage points.

**We’ve Put the Power In Place.**
